Sir,

I have the honour to inform you that the building where the Government Girls' school at Siralkoppa Shikarpur Taluk is now held is situated in the busiest part of the main street and is not suitable for the purposes of a Girls' school. It is necessary to construct on a good site a new building of the 2 nd Village school Design, providing for a long room 30' X 12' with a verandah in front 6 ft wide, for the accommodation of the Shira koppa Girls' School This building is estimated to cost Rs 1008 The present building being advantageously situated in the busiest part of the town will fetch about Rs 1000, if sold which may go towards the cost of the new school house Under these circumstances I request that Government may be pleased to sanction the sale of the present building of the Shiralkoppa Girls' school and authorise the sale proceeds to be treated as a deposit to be utilised towrds the cost

of the proposed building. By this arrangement the cost to Govern
for the new construction payable from the Village School Fund Budget
will be small

I have the honour to be
